**ADVANCEMENT TEAM** – provides direction to group regarding member development. Designs and implements education portfolio modules, oversees oriation of new state delegates, collaborates with membership committee regarding development of leadership track, etc.

**MENTORING** – the chance to either be a mentor or mentee is available to all our state delegates. Pairs are chosen on the basis of interests and needs.

**SPEAKERS' BUREAU** – we are often asked if our members are available for speaking engagements or to review documents and other materials. Please let us know if you'd like to be a part of this by signing up for the speakers' bureau in the "Members Only" area of our wbsite.
